

# Theory of Action 2012/13 – A focus on high quality first instruction – every day in every classroom

---

If we do this...

through the

then we will...

Build a learning community focused on increasing student achievement and

Build a service organization (District Office) focused on supporting school achievement

Support and Engagement (BOE)

A Master Plan for a model 21<sup>st</sup> century school district

1. Redesign central office
2. Raise the bar
3. Create system of attractive school options
4. Maintain policy of neighborhood elementary schools
5. Strengthen effective enrichment programs
6. Optimize enrollment
7. Build nonprofit, business and philanthropic partnerships
8. Pass a parcel tax

- Accelerate student achievement
- Shift to a culture of both accountability and support
- Achieve organizational efficiency
- Implement greater use of technology
- Address achievement/service gaps
- Become fiscally sustainable
- Support teachers and administrators in leading instructional improvement
- Build confidence in AUSD
- Have facilities that are sustainable
- Be accountable for better results for students and families
