F-4

Meeting Date: November 29, 2011

Item Title: Presentation of Synopsis of 10 Steps to Success Targets

Item Type: Information

BACKGROUND: AUSD staff have been working on devising measurable outcomes and student performance metrics by which AUSD and the community can track our progress toward and set ongoing systemic goals for preparation of students for college and career success. Tonight we present performance targets based on the baselines of each metric from AUSD's 10 Steps to Success work.

RECOMMENDATION: Information only

AUSD Guiding Principle: 1. All students have the ability to achieve academic and personal success. 2. Teachers must challenge and support all students to reach their highest academic and personal potential. 3. Administrators must have the knowledge, leadership skills and ability to ensure all students succeed. 4. Parental involvement and community engagement are integral to the success of all students. 5. Accountability, transparency and trust are necessary at all levels of the organization. 6. Allocation of funds must support our vision, mission and guiding principles. 7. All employees must receive respectful treatment and professional support to achieve district goals.

10 Steps to Success: Next Steps

- We aim to continue work on systems to help track student choices and success after graduation.
- Now that baseline data have been established, we aim to work intensively with sites to monitor student performance on local assessments.
- We aim to continue to analyze local assessments as predictors of STAR and CELDT performance.
- We aim to develop systematic supports for school sites to reach these 10 Steps to Success Performance Targets.
